Dear Richard

RE: CONGRATULATIONS

Congratulations to you and your business on recently receiving an award from the National Federation of Roofing Contractors.

I was delighted to read in the Sussex Express that Richard Soan Roofing Services had won an award in the area of roof tiling for work on a local country house. I imagine this would have been a huge project to undertake, and I want to congratulate the hard work and skill of all those who worked on the house.

As the local MP, it is always wonderful to see our businesses doing so well, and I congratulate you again on receiving this award. This is certainly a testament to your work and I wish you and your staff the very best for all future projects.

Best wishes
