

*Be strong: be courageous. Do everything in love.*

1 Corinthians 16 v13b-14

## Testimonial

Richard Soan Roofing were a pleasure to work with – they were very respectful of the school premises and kept us fully updated on the progress of the project. They worked with us to ensure we were able to maintain as much access as possible and worked hard to complete the project quickly and efficiently, including delaying some works to fit in with the school timetable and returning at a later time to finish. For the first time in over 10 years we have no leaking during heavy rains! The site was left very clean and tidy.
